PROMOTION

Avenue Paul Vaillant Couturier

The architectural site plan illustrates the layout of the Trianon development. The main building complex is shown with various internal courtyards and green spaces, highlighted in light green. The plan includes detailed landscaping with numerous trees and shrubs. Surrounding the site are existing structures and infrastructure, including a parking area (Aire de stationnement) and a drainage system (gouttière). Key features include a large rectangular building footprint, a smaller structure labeled 'Remise RC', and a 'Habitation RC' (Residential Building). The plan also shows a 'Habitation R+2' (Residential Building, 2nd floor) and a 'Habitation R+1' (Residential Building, 1st floor). The site is bounded by the Avenue Paul Vaillant Couturier to the north and the Rue N°4 to the east. The plan includes a north arrow and a scale bar (0 to 10 meters).

SEUIL : Différence de niveaux entre l'intérieur et l'extérieur
